MCE

MEL-CO-ED, INC.

MADE IN RHODE ISLAND SINCE 1948

Coined. Die struck. Stamped. Since 1948.

Third-generation, family-owned maker of custom die-struck emblems, jewelry findings and stampings in Southern New England, the historic jewelry capital of the world. Full tool room on site — from your sketch, drawing or sample to finished, packed parts.

★ MADE IN THE USA ★

CUSTOM & CONFINED — WHAT WE DO BEST

Your design. Your die. Run only for you.

Send a sketch, drawing or sample. We engineer it, prototype it, cut the die in our own tool room and strike it here in Pawtucket.

You own your die — stored free, take it anywhere.

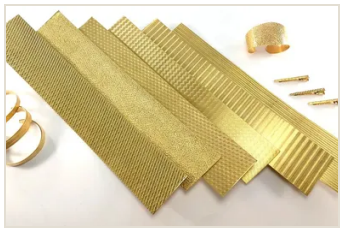

Already have dies or metal? We'll run yours.

Open Line

30,000+ stock findings, stampings and pattern stock, no tooling cost. Pick from our catalogs, or design around one of our patterns.
